Notes for Rice Hicks:

There is considerable confusion about the date of Rice Hick's birth. His death certificate shows a birth date of March 1, 1929. Based on his age in the 1850 Gallatin Co., KY Census his birth year would be about 1834. Based on his age in the 1860 Gallatin Co., KY Census his birth year would be about 1835. Based on his age in the 1870 Gallatin Co., KY Census his birth year would be about 1837. In the 1900 Carroll Co., KY census he was living with his daughter Melvina in English, Carroll Co., KY. His date of birth is listed as March 1927. I have assumed that the year on the 1900 census record is correct.
