Descendants of William and Mary Swango Hicks

Generation No. 1

1. William¹ Hicks was born 1755 in Virginia, and died 19 Dec 1822 in Garrard Co., KY. He married **Mary Swango** 02 Jan 1784 in Probably Virginia, daughter of Abraham Swango and Ailsie Pyles. She was born 1766, and died 24 Aug 1847 in Jessamine Co., KY.

Notes for William Hicks:

Family of William and Mary Swango (Swanger) Hicks

William Hicks was born in 1755 in Virginia. While living in Virginia, he married Mary Swango (Swanger) on 2 January 1784. William Hicks died 19 Dec 1822 in Garrard County, Kentucky. Mary was born ca. 1763/65 and died 24 Aug 1847 in Jessamine County, Kentucky. No cemetery record for Mary or William was found in Jessamine County, Kentucky. William Hicks is listed on the 1810 census of Garrard County, Kentucky. William Hicks was not listed on the first census of Kentucky.

The Revolutionary War Pension Application (Pension Claim # 8931) of William Hicks contains much information. In June of 1818 William Hicks, aged about 62, states under oath that he enlisted in the 12th Virginia Regiment, a continental establishment in Captain William McKee's Company under the command of Col. James Woods, on or along the 25 day of Sept. 1776, for the term of two years and served out his time in the corps aforesaid at the mouth of the Great Kanawha, and was regularly discharged in the fall of the year in 1778. The discharge given him by Capt. McKee, he states is either lost or deposited at some of the offices in Richmond, Virginia. He further states that sometime in the year 1780 he again engaged in the second Virginia Regiment attachment under Col. Samuel Hawes and in Capt. Frank Cowherd's company and served the time of eighteen months and was discharged from the same on the 17th day of January 1782, as will more fully appear by the original discharged filed and dated the 17th day of January, 1782.

He further says that during his service he suffered much from exposure as well as in battle having served the whole campaign under General John Green to the South. He further states that his circumstances are such as to render personal labor on his part are necessary to obtain the means of tuberculosis and his age and infirmity places it out of his power to do much. He therefore states that he is need of the aid and the assistance of his country to render his latter at all comfortable. An official report on file shows that the above noted pensioner died 19 Dec 1822 in Garrard County, Kentucky.

William Hicks married 2 January 1784, Mary Swanger (Her name was almost certainly Swango since there were no Swangers in Virginia at the time. There were Swangos in the area.), the date of her birth and the name of her parents are not known.

Mary Hicks, the soldiers widow, was allowed pension on her application executed 19 Nov. 1838. She was then a resident of Jessamine County, Kentucky, aged seventy-two years. An official report on file shows that she died 22 August 1847, in Jessamine County, Kentucky.

In Nov. of 1838, Suffiah Combs, a daughter of the soldier William Hicks, and his wife Mary, was a resident of Jessamine County, Kentucky, she was born 20 September 1790, and was the parent's fourth child. Her husband, Edward Combs, died in Oct. 1825.

The following data pertaining to the other children are shown: the first child, name not given, died when about 3 months old; Moses the next child, was born 7 Sept. 1786, Abraham was born 30th Oct. 1788; Samuel was born 16 Jan 1792; William was born 4 Dec 1794; Abigail was born 20 May 1796.

In 1845, William Hicks was living with Mary Hicks, the widow, in Jessamine County, Kentucky. It was not stated however, that he was the son William. (The above was an answer from A. D. Miller, Executive Assistant to the Administar to Mrs. J. H. Freeman of Springfield, TN. letter dated 15 Feb. 1933.)

Deposition of Suffiah Combs

7 May 1839

The deposition of Suffiah Combs of Jessamine County, Kentucky, taken at her residence, on this the 7 day of May 1839, to be used as evidence in the favor of the application of Mrs. Mary Hicks, widow of William Hicks, deceased, for a pension under the act of congress passed July 7, 1838.

Deponent being of forty-eight years old on the 20th day of September last deposest and said that she is the fourth child of William Hicks and Mary Hicks, whose name before marriage was Mary Swanger. She further states that she has her father's old Pocke Book, now in her possession, which book contains the family register of the marriage of her father and mother and the ages of their children-said register occupying two pages. The handwriting is that of the deponent's father and has been there since the deponent's earliest collection. On the right hand page is first is some old accounts and nearly middle way down is entered the parent's marriage, but to dim now but to make out the month and the year.

They were married which appears to be 2nd Jan 1784, and immediately below is listed the ages of their sixth and seventh children to wit: William Hicks was born 4 Dec., 1894, Abaigail Hicks was born 20 May 1896. The left hand page also commenced with some old accounts and near half way down there is an entry (but not entirely legible) the age of William and Mary Hicks second child (the first child as the deponent said as she remembered died at about 3 months of age). This entry seems to make their second child, Moses Hicks, to have been born, 7 Sept 1786. The third child's age is legible and in these words" Abraham Hicks, son to William and Mary Hicks, born the 30th September (Oct.) 1788". The next is the deponent's own age, Suffiah Hicks was born 20th Sept. 1890. Then comes the name and age of the fifth child, of the said William and Mary Hicks, which states their Samuel Hicks, was born the 16th January 1892. All of which entries are specified in said family register was legible when the deponent's past recollection of seeing them, which was many years, prior to her fathers death. But it will be observed that the deponent's father has made a very obvious mistake in putting down the years of all the children, except the first two, Moses and Abraham. The deponent's having made use of 1890, etc. in place of 1790, and with this correction she, the deponent, firmly believes from every information from she has received from her mother and her father and other sources that the whole of said register is correct. The deponent further saidth that she knows that the said pocket book containing said register is her father and was in his possession many years before his death. Her father the said William Hicks died 25 Oct at that time the book containing the register came into the possession of the deponent and has remained in her possession ever since. Which register this day described by her, she makes part of this deposition and further saith not.

In the book Alphabetical Index of Pensioners, with Reference to Counties, pg.189 Mary Hicks is listed as pensioner of Jessamine County.

Jessamine County, Kentucky Will Book G, pg. 375, 428, 433 is the will of Mary Hicks, probated 19 July 1847. This where we learn of daughter Polly (Mary) Goforth.

William and Mary lived in Garrard County, KY then moved to Fayette Co., KY and then back to Garrard Co.

Notes for Mary Swango:

William Swango, his wife and one son, Abraham, migrated from Germany about the year 1741. William's wife died on the journey to America and was buried at sea. William and Abraham landed at Philadelphia, Pennsylvania and shortly after thereafter, William died. Abraham, then only 14 years of age, was apprenticed to a wagon maker, whom he served until age 21. He became a wagon maker by trade. Mary is certainly a granddaughter of William. Her name is listed in William Hicks' Revolutionary War Pension papers as "Swanger", however there were no Swangers in Virginia at the time. Mary almost certainly was the granddaughter of William Swango. William only had two other known children: Isaac and William. Nothing is known of their descendants. Abraham Swango had a daughter referred to as Mariah who was born about the same time. Mary is probably the daughter of Abraham and Ailsie Pyles Swango. This, however is unproven.

Children of William Hicks and Mary Swango are:

- 2 i. Infant² Hicks, died in infancy (3 months of age).
- 3 ii. Moses Hicks, born 02 Sep 1786. He married Lucy Alcorn 16 Apr 1811 in Fayette Co., KY; born 1794 in Madison Co., KY; died Oct 1877 in Jessamine Co., KY.

According to Dr. Josiah H. Combs' Combes Genealogy, pp. 106-107, Edward Combs was of the "Loudoun Co VA Combs Families" (no source given). Edward Combs married Sophia Hicks, and may be identical with the Edward, son of Andrew Combs (born 1755), of Loudon [Loudoun], who married Mary Hicks. An Andrew Combs patented 1,000 acres of land (military) on Little River, Fayette County [KY] in 1797; may be the Col. Andrew Combs, later of Woodford County [KY]. [Extracts from Combs, a Study in Comparative Philology and Genealogy, by Josiah H. Combs, Ph.D., University of Paris, Copyright 1976 by Norris K. Combs]

Edward appears as a private on the roll of Captain David Todd's Company of Kentucky mounted volunteer militia commanded by Colonel George Trotter in the War of 1812. Edward mustered in Newport, KY on August 20, 1813. Edward appears on the tax lists for Fayette Co., in 1814, 1819 and 1820. He is also in the U.S. Census for 1820 in Fayette Co., Kentucky. He appears on the tax lists for Jessamine County, Kentucky in 1824 and 1825.

Notes for Harvey Allen Hicks:

Death of H. A. Hicks

Harvey Allen Hicks was born July 19th, 1830, and raised near Russell's Cave, Fayette county, Kentucky, died at his residence near Richwood, Boone County, Kentucky, August 18th, 1902, aged 72 years, 1 month.

He came to Richwood, Boone County, Kentucky in 1854, was married to Sallie J. Williams and settled on the Menziem farm, where he remained until his death. In 1868 his wife died leaving no children. In 1870 he was married to Sallie B. Stansifer, daughter of the late Abraham Stansifer. To this union where born five children, three of whom remain: Mrs. Lizzie Gaines, wife of Lee Gaines, Sam C. Hicks and Mrs. Sallie B. Garrison, wife of Elizie Garrison.

When Mr. Hicks came to Boone County he had on \$1,000. He also bought and paid for 850 acres of the finest land in Boone County, much of which cost a high price. His judgement on fine stock was, perhaps, unsurpassed by any man in Kentucky, always buying the best and so treating it as to make the best for market. The county has lost one of its best citizens, and farmers, as well as financiers.

His funeral was conducted by L. Johnson, of Walton, at his late residence, and the remains were laid to rest in Richwood cemetery in the midst of an immense concourse of friends and relatives. To his wife and children the most tender sympathy is extended.

From Samra Hicks Mimms: Harvey Allen Hicks' land was maintained by his daughter Sallie Belle Garrison through the despression. Her daughter Elsie Jack and husband maintained the land, etc. They had had one daughter, Sallie Jo who married Kay Barrier. Sallie Jo and Kay Barrier have one daughter Kelly whom Elsie left the main house and valuable antiques to. The Barrier's sold most of the land about a year ago (2001).

Notes for William Hicks:

William Hicks who married Catherine Jump in Grant Co., KY was probably the son of Samuel and Fanny Cox Hicks and the grandson of William and Mary Swanger/Swango Hicks. William lived near Samuel in the 1840 Grant Co. census. He would be the right age to be the son of Samuel and there does not appear to be any other Hicks in Grant Co. at the time that could be his father. A book written by Alfred Tratchel Hicks, a descendant of Samuel and Fanny Cox Hicks shows them with a son named William (born February 18, 1816 and died June 15, 1848) with no other information. He does not give the source of his information but does state that he is certain about the children of Samuel. His source probably was a family bible given the exactness of his dates. Alfred does mention William who married Catherine Jump as possibly being the William who was a son of Samuel, but does not come to any conclusions.

The estate of William who married Catherine Jump was not settled until around 1857, but he apparently died prior to May 31, 1949, because Catherine remarried to a Jacob Shirvin that date in Owen Co., KY. Papers in William's estate mentions that she did remarry a Jacob Shirvin. However, I had assumed that the date of marriage was in the 1850s. The 1849 marriage date fits with an 1848 death of William who married Catherine Jump.

The 1860 census shows Catherine (without a husband) living in Grant Co. and with the surname of Hicks. She is shown with the children of William listed in William's estate settlement plus three other children: California (1851), Frederick S. (1856) and Asa P. (1859). The dates are dates of birth based on census ages. This would indicate that they were the children of Catherine's second husband, Jacob Skirvin. However, the death certificate (KY #27-29192) of Frederick Strode Hicks (b. 6/3/1856 d. 12/8/1928) lists his parents as William Hicks and Catherine Jump. William, however, could not have been his father, despite the fact that his death certificates lists him as such and despite the fact that he used the surname of Hicks. Frederick Strode is never listed as an heir of Williams. Catherine remarried in 1849, indicating that William died prior to that time. Jacob Shirvin probably had either died or he and Catherine divorced prior to 1860. A divorce would explain her taking the Hicks surname back and would also explain Strode using the surname of Hicks.

One other explanation of the parentage of Strode Hicks is from a letter by Harry David Hicks (grandson of Strode Hicks) to June Hicks Shannot dated March 14, 1977. It say in part, "William died. Eight years later Fredrick Stroad (the er was dropped from Stroader) was driving cattle near Kitty's farm and told Kitty if she would let him stay the night so his cattle could rest, he would give her a cow. Nine months later Stroad Hicks was born who was my father's father, so really by blood I am not a Hicks, but a Stroad. "

One other searcher lists Strode and Asa as being the children of William and Catherine's daughter, Nancy, who married Daniel Shirvin. There appears to be nothing to support this. Nancy is living with Catherine in the 1860 census and is listed with the surname of Hicks. Also Nancy's marriage to Daniel Shirvin was Dec. 3, 1856 in Grant Co. California, Strode and Asa were probably the children of Catherine and her second husband, Jacob Shirvin. Strode took the name of Hicks. Asa apparent went by Skirvin.

Life-Long Resident of Mason Was Squire Robinson Who Died From Heart Attack Last Saturday. Funeral and Burial held Tuesday.

Squire Robinson, aged about 77 years, died at his home south of Mason last Saturday morning. His death was due to heart attack, though he had been in failing health for the past several months. Squire Robinson was a strong and hearty man and lived a long life of usefulness in the community.

Funeral services were conducted at Mason Baptist church last Tuesday. Internment was in the Mason cemetery.

There is considerable confusion about the date of Rice Hick's birth. His death certificate shows a birth date of March 1, 1929. Based on his age in the 1850 Gallatin Co., KY Census his birth year would be about 1834. Based on his age in the 1860 Gallatin Co., KY Census his birth year would be about 1835. Based on his age in the 1870 Gallatin Co., KY Census his birth year would be about 1837. In the 1900 Carroll Co., KY census he was living with his daughter Melvina in English, Carroll Co., KY. His date of birth is listed as March 1927. I have assumed that the year on the 1900 census record is correct.

Death of a Bright Little Boy

The heavenly gates stood ajar and the angels waited the spirit of precious little Robert Edward Hicks to the realms of the heavenly home on Wednesday evening, May 4, 1926, at 6 p.m.

Little "Robbie," as he was so tenderly and sweetly called in the home by his loved ones, was the youngest child of James and Lucy Tingle Hicks, and was born November 11, 1920." [He was actually born November 11, 1919.] As he was only six years old and the baby of the home of father, mother, two sisters and five brothers, he was the life joy and pet of the home of the home, and his death is an overwhelming sorrow for his loved ones.

He was taken critically ill about five weeks ago with nephritis in a dropsical form, and his sufferings were intense at times, but the dear little boy bore them gently and patiently. All that is fond parents and loved ones with the physician's skill, could do, was done, but of no avail and the Master transplanted this beautiful little flower to the heavenly garden to live with Him.

The funeral was held at the home of his parents Friday, May 7 at 10 o'clock; conducted by Rev. C. P. Pilow, with a comforting message from the words of Jesus, "Suffer little children to come unto me, for of such as these is the Kingdom of Heaven," and a few comforting words from the grief of David for his child after the beautiful little body, its lovely white casket, was laid to rest in the cemetery at Port Royal.

Week not, fond parents as those who have not hope, but like David, the Psalmist, arise from they grief and say, "He cannot come back to me, but will go unto him."

May God bless and comfort all the loved ones and guide them until they also will enter the heavenly gateway.

"This tender little flower was sent from Heaven above,
Precious, dainty, to cherish and love,
but angles looking down on this little flower to rare,
Whispered, 'Flowers like these must blossom in Heaven's garden so fair.'"

So they tenderly gathered little Robert Edward home to this garden, free from sorrow and strife of this life.

The following were here Friday to attend the funeral of little Robert Edward Hicks: Mrs. Clarence Washburn and children, of Cincinnati; Mr. Tingle and sister, of Port Royal; Mrs. Orvie Calvert and Harry Bishop, of English, and Riley Hicks, of Louisville.
